STORY OF THE GAME:

Mario and Naruto lived in Hidden leaf village. They set out a journey for finding hidden treasures in the Sandcraft village. For this, they had to pass some steps that were too hard. They had to cross many obstacles like bombs, minecrafts etc. There were three steps to reach to the treasure. The first and second steps were easy to Mario than Naruto. But the third step was easy to Naruto. That's why they chose and passed the steps according to their ability.

FEATURES OF LEVEL 1 & 2:

- There are some obstacles in these levels. You have to cross them without any collision with them. You have three lives. If you get any collision with them, the number of life of the character will decrease by one and a blast will happen. The faster you finish the level, the more points you get. Moreover, when the level will be completed ,you will get extra points depending on the number of character's life you have saved. There is also an extra life for rescuing your character from danger.*
